LATVIAN CAREER
DEVELOPMENT
SUPPORT ASSOCIATION

LATVIAN
CAREER
DEVELOPMENT
SUPPORT
ASSOCIATION

Goals and objectives of the Latvian Career Development Support Association (LKAAA):

- Promote the development of the career guidance system of Latvia in order to strengthen the national economy
- Offer government and private organisations systemic development convergence models in the fields of economics, education, welfare and other areas

- Unite individuals and organisations within the Latvian career guidance system, as well as other stakeholders interested in the quality and development of career guidance in Latvia
- Contribute to cooperation among Latvian, European and other organisations and professionals for the establishment of quality career guidance policies and practice
- Promote the professional development and competitiveness of Association members
- Promote the employability of individuals
- Promote the development and sustainability of organisational culture

- **WOULD YOU TELL ME, PLEASE,
WHICH WAY I OUGHT TO GO FROM
HERE?**
- **THAT DEPENDS A GOOD DEAL ON
WHERE YOU WANT TO GET TO.**

/LEWIS CARROLL/

What we do

- Hold seminars for Association members to improve their professional skills
- Inform Association members and others about current developments in the career guidance field
- Represent the voice and interests of the Association in the Latvian National Guidance Forum and management councils of ESF projects in the career guidance field
- Participate in the development of policy and projects in the areas of economics, welfare, education et al
- Cooperate with enterprises to explore labour market trends
